

# Study in Panzhuhua University

## 1. General Information about Panzhuhua University

Panzhuhua University (Abbreviated as PZHU) is a comprehensive university of higher learning ratified by National Ministry of Education, focusing mainly on engineering courses. It is located in the southwestern portion of Sichuan province and borders northwestern Yunnan Province. The campus is home to a wide array of beautiful trees and flowers, and has been labeled an Advanced Garden School by the Sichuan People's Provincial Government.

PZHU covers an area of 840,000 square meters including a total building area of 370,000 square meters. The fixed assets of the school are over RMB 466 million. Presently there are 983 faculty and staff members with 675 professional teachers. PZHU provides undergraduate courses in 29 specialties, junior college education and services in 32 specialties, with more than 50 majors in all. Currently, PZHU offers a wide range of programs covering seven branches of learning, including science, engineering, liberal arts, law, economics, management, and medical science. The University now has a total enrollment of 12,000 students from all over the country (29 provinces, autonomous regions and municipalities directly under the Central Government).

The school has a guarantee system of practical instruction with over 70 inner teaching experimental laboratories for basic courses, 23 laboratories for specialized courses, a provincial technology & engineering research center for vanadium and titanium materials, as well as a provincial key laboratory and nearly 100 partnerships with corporations and factories across China for students to gain practical experience. The method for the school management and the means of education has been fully modernized. PZHU has a wide array of modern teaching equipment including a Multi-media and an Audio-Visual Instruction Center, a CAI Teaching Disc Design Center, and over 60 multi-media classrooms. The campus intranet system is connected to CERNET and INTERNET covering all the campus offices, classrooms, labs, and dormitories (both students and teachers).

## 2. Discipline Specialty

(1) Bachelor's Degree Programs

Majors	Courses
Chinese Language & Literature	Mandarin, Modern & Contemporary Chinese literature, Modern Chinese
English Language & Literature	Intensive Reading, Translation Theory & Practice, General Linguistics, Essentials of British & American Culture
Arts Designing	Folk Arts, National Costume and Designing, Traditional Chinese Painting, Exploring Residences with Folk Custom in the Southwest
Business Administration of Economic Management	Economics, Accounting, Statistics, Management Science
Material Science & Engineering	Nano-materials, Materials Specialty Abstract, Materials Science Fundamentals
Automation	Electric Machinery, Automatic Control Theory, Power Electronic Converting Technology
Mechanical Designing & Automation	Computer Control Technology and Simulation, Mechanical Manufacturing Engineering, Numerical Control Technology
Chemical Engineering Techniques	Chemical Industry Principle, Instrumental Analysis, Chemical Engineer Thermodynamics, Chemical Technology
Civil Engineering	Houses Construction, Theory Mechanics, Mechanics of Materials, Soil Mechanics, anti-seismic construction
Nursing Science	Human Anatomy, Fundamental Nursing, Nursing Research, Nursing Management, Nurse's body and rite

(2) Non-degree Training Program

Chinese Language and Literature, English Language and Literature, Chinese calligraphy, Acupuncture, Massage and Martial Arts (Chinese Gongfu)

(3) Diploma Requirements: Students who have completed the required credit hours and have passed their examinations within the stipulated timeframe will receive a

diploma and degree which are acknowledged by the People's Republic of China. Non-degree training students will be issued a certificate of completion by PZHU after achieving satisfactory marks on their examinations.

### 3. Prerequisites

(1) Bachelor's Degree Programs: All candidates should be in good health, of good moral character and hold a degree certificate that can match or exceed Chinese Senior Middle School Graduate Certificate. Students are required to attend PZHU for a minimum of 4 years and a maximum of 6 years, with the first year spent learning Chinese.

(2) Non-degree Training Program (Medium and Short Terms): All candidates who are in good health and possess good moral character may apply for this program.

### 4. Campus Facilities

(1) Library: Containing over 1,400,000 volumes, including 900,000 paper books and 500,000 e-books, the library is free to all teachers and students. There are 1,267 Chinese and Foreign journals. With 10 common rooms and a special stack room, the library has over 2,400 seats.

(2) Athletic Facilities: PZHU is home to a standard ground track field, a heated swimming pool, 19 basketball courts, 6 volleyball courts, 6 tennis courts and 22 badminton courts, along with 46 Ping-pong tables, a playground, 2 gymnasias and a card room.

(3) College Hospital: Our attached hospital is a First Class Grade hospital. It is a distinctive hospital, combining medical treatment, education, scientific research, prophylaxis, Chinese medicine and social medical treatment.

### 5. Lodging Standard

Room Category	Fees	Indoor Equipments
Double room	\$300 for one person per year	Single beds, bathroom, shower, TV set, air conditioner, telephone, Internet interface
Single room	\$600 for one person per year	

\*Students must pay for telephone fees and Internet charges. (Campus Internet charge is \$22.50 for one interface per year.)

\*Water rates and electricity bills: PZHU will provide 3 tons of water and 5 KWH of electricity per student, per month. Any usage in excess of this amount must be paid for by the students themselves.

**6. Tuition:** \$1500 per academic year.
